

Directions to the Arkansas Department of Health Auditorium

The street address of the Arkansas Department of Health is 4815 W. Markham Street. The building faces War Memorial Stadium and is located on northeast corner of Markham and Monroe Streets. Please park in the Visitor Parking area, which is in front of the building near the corner of Markham and Monroe. Additional parking is available across the street in the War Memorial parking lot. Enter the ADH building through the main entrance, which is up the main steps. Sign in at the guard station and follow the sign to the right down the main corridor. At the end of the corridor turn right again. Continue to the elevators, which you will find on the left. Take an elevator down to the bottom floor, where you will find the auditorium, which will be the first door on the right.

There is a wheelchair-accessible entrance at the “West Entrance” entrance of the building, which also faces War Memorial Stadium, but is located to south in the part of the building that is farther away from Markham.
